

_____ 's Musical Interests

I like to listen to music when _____

I like playing music:

- before school
- when I get home from school
- on the weekends
- before bedtime

Music is important to me because:

When I play music, I feel:

A song I listen to all the time is:

I like to listen to music with:

I like to play music that is _____

Here's picture of an instrument that I think is really cool:

If I could play any song in the world, it would be:

Other types of art I like are:

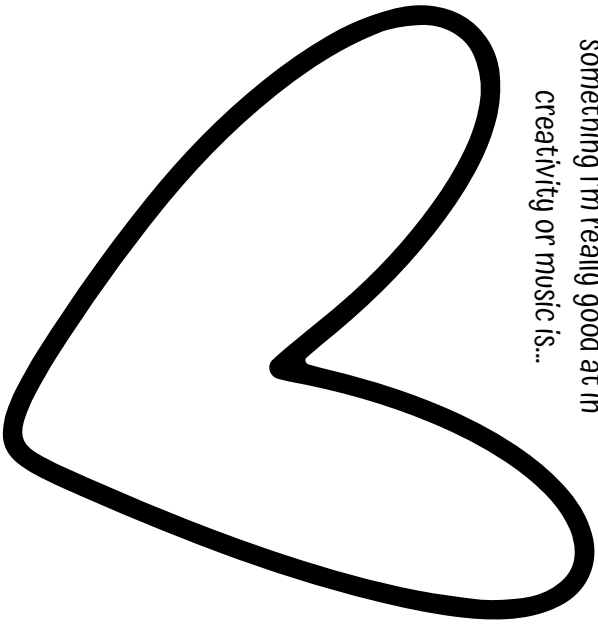

- painting
- writing
- dancing
- drawing
- other _____

My Musical Self!

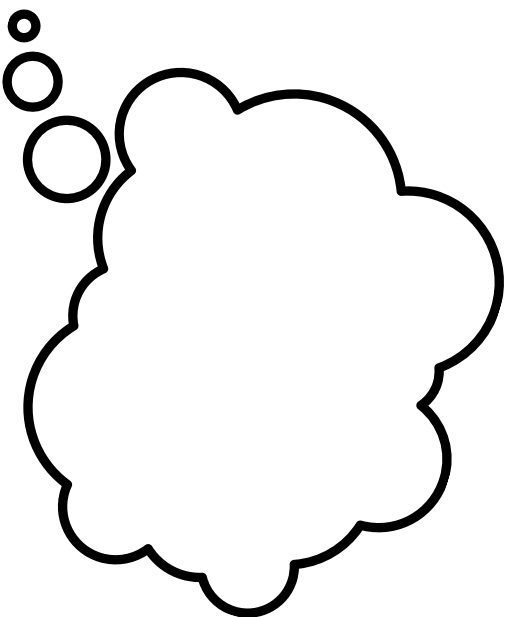

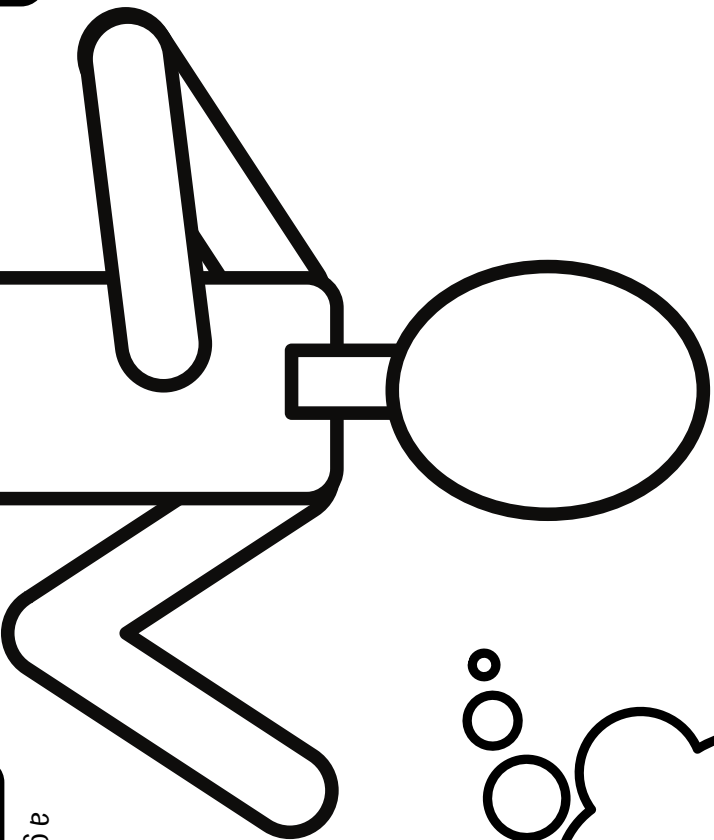

an idea for what I want to do in
music in the future is...

What I want to be called as a musician: _____

something I'm really good at in
creativity or music is...

3 words that describe me are...

A large, empty rectangular box with a thick black border, intended for writing three words that describe the user.

a goal in music this year for me is...

A large, empty rectangular box with a thick black border, intended for writing a goal in music for the year.
